## On Foot (from Basingstoke train station)

Exit the station and proceed down the steps into the shopping precinct. Continue past Sainsbury's and into Festival place indoor shopping centre. Continue straight on until you reach the far exit adjacent to cafe Nero. Continue up the hill until you see McDonalds and turn left onto London Street. About 100 yards on the right hand side is the gated entrance to our office between Martin & Co estate agents and a hairdressers.

## By Car

From M3 At junction 6, take the exit towards Basingstoke (A339). At the roundabout at the bottom of the slip road, take the 1st exit towards Basingstoke (A339/A30).

At the next roundabout, take the 1st exit onto Ringway S (A30). Continue for approximately 1 mile until you reach the next roundabout.

At the next roundabout, take the 3rd exit onto Hackwood Road.

After half a mile you will bear left onto New Road. After approximately 100m, take the first right into the short stay car park (Jacob's Yard).

In order to get to the entrance to the office, walk down Jacob's Alley or the small road parallel to this (to the left of Peugeot Regional Office) until you reach Market Place (pedestrianised street). At this point turn left and continue along until you pass Martin & Co estate agents. Between this and the hairdresser's is the entrance gate to the office
